

ENVIRONMENTAL POLICY

1. POLICY

Major Projects Group conducts business in the construction industry sector throughout Australia. Our key activity is industrial, commercial and marine demolition, as well as asbestos removal services. Our objective is to manage our projects with a constant awareness of the impacts on natural, built and human environments.

2. COMMITMENTS

In our commitment to continually improving environmental management and the prevention of pollution we shall:

- Communicate the company's environmental position with regard to the project operations to employees, subcontractors and consultants;
- Establish measurable objectives and targets to eliminate environment related incidents;
- Comply with all relevant legislation and regulation;
- Communicate our commitment and make this policy available to interested parties, including the public;
- Ensure our employees, subcontractors and consultants use appropriate work practices; and
- Ensure all demolition and dismantling projects recycle as much material as possible throughout all project stages.

3. APPROVAL
